

IBJ amongst the 200 Best Under A Billion Companies in Asia says Forbes

IBJ Inc, has been named to Forbes Asia's 200 Best Under A Billion, a ranking of the 200 top-performing small and midsize enterprises with revenues under \$1 billion. The list picked best performing firms from over 24,000 publicly listed companies in Asia Pacific and the selection was based on earnings growth, sales growth and shareholders' return on equity in the past 12 months and over three years.
