2 Growth Strategy

#### Growth Strategy with a View to the Medium-Term Management Plan

Budgeting for 2026 as a growth investment period to achieve discontinuous growth

2027

#### **Step 3: Expansion Phase**

Simultaneously with achieving the medium-term management plan Further business expansion through investment effects

2026

**Step 2: Growth Investment Phase** 

With the medium-term management plan Investment period with a view beyond

2025

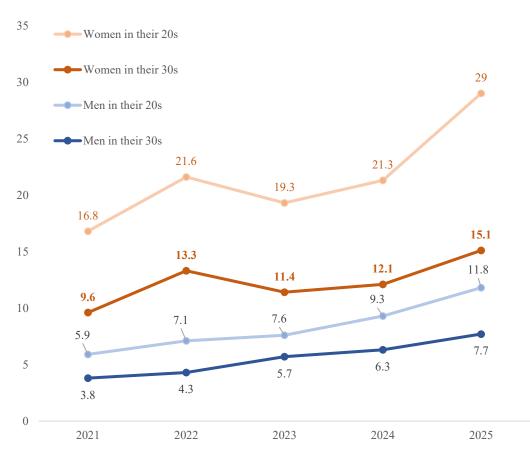

**Step 1: Improvement Phase** 

Through the optimization of business costs Building a profit-oriented organization

#### Growth Investment (M&A): Market Potential in the Men's Beauty Industry

## With a view to potential market expansion Incorporating ""GROWBING Co., Ltd. (King of Eyebrows)"" into the group Aiming to create new growth in the ""men's beauty sector"" starting with M&A

Usage Rate of Eyebrow Salons by Gender

While demand for men's beauty is increasing year by year
There is a nearly 2-3 times difference in usage rates between
men and women

A market with many business synergies and development opportunities

Aiming to enter new business formats starting with the eyebrow business

- 1 The psychology of not wanting to fail
- → Emphasizing technical skill (certainty) over price
- (2) Limited treatment areas
- $\rightarrow$  Completed in 1/2 to 1/3 the time of a regular beauty salon

#### Growth Investment (M&A): Synergy with Marriage Agency Business

The marriage agency business and men's beauty business are expected to have particularly high synergy effects.

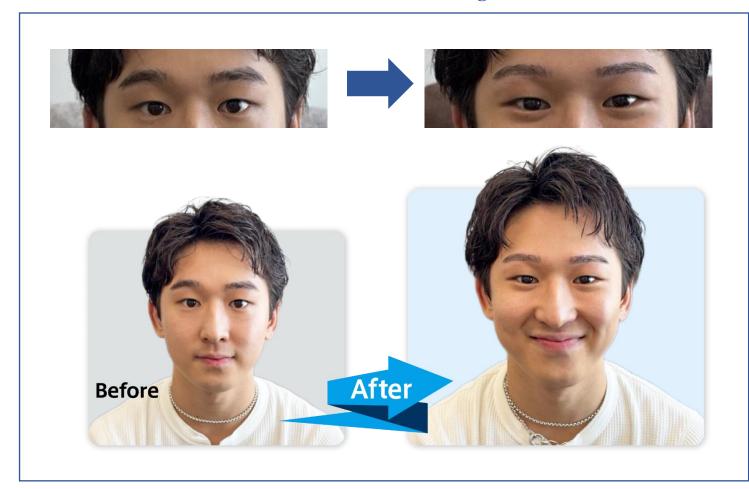

The activity period of the marriage agency offers abundant opportunities for service use (about once a month). Service use becomes habitual, and regular use is expected even after marriage.

Promoting customer referrals directly leads to business expansion and increased LTV.

Improving men's first impressions also contributes to increasing the number of matchmaking meetings and marriages.
